The Community Call

We're In This Together

As part of the Government response to the COVID-19 crisis, your local authority (council) has established a **COVID-19 Community Call Forum**. Your local forum works with State agencies and community and voluntary groups to provide supports or services to any vulnerable person who needs them.

Your forum brings together different organisations to provide important services like:

- collection and delivery of essential items like food, 'meals-on-wheels', household items, fuel or medicine (in line with guidance)
- support if you are experiencing social isolation or are cocooning

If you need help, if you know someone who needs help, or if you would like to offer help, please use the numbers or email for your local authority (council) as listed in this leaflet.

Cocooning

Some people in local communities are cocooning. This means they are to stay at home and avoid face-to-face contact. It's the best way to slow the spread of the COVID-19 virus and to protect themselves.

Who Are Cocooning?

- People aged 70 or over.
- People in a residential home or in long-term care.
- People who have serious medical conditions like: organ transplant recipients, people undergoing cancer treatment, severe respiratory conditions, rare diseases that increase the risk of infections.
- Pregnant women who have significant heart disease.

Advice For People Giving Support

Making Contact

- Contact the person to confirm your visit
- Phone the person when you arrive outside their home
- Complete hand hygiene before leaving your vehicle
- Ring doorbell or knock loudly and step back 2 metres
- Inform the person who you are, the reason for the visit and show your ID

Once You Arrive

- Ask the person to move to another room
- Place items inside the front door
- If essential to enter the home follow the cocooning guidelines about handwashing and physical distance

When You Leave

- Confirm time and date of next visit
- Reassure the person that contact and deliveries will be maintained while they remain at home
- Complete hand hygiene prior to returning to vehicle
- Telephone or email confirmation of visit and wellbeing of person

What If The Person Is Unwell?

- If the person reports feeling unwell ask if the person has contacted GP
- If the person has not contacted GP, obtain the name and number of GP and do so on their behalf
- If the GP can't be contacted, phone the emergency services

What If The Person Is Frail And Needs Help With The Delivery?

- Identify location of kitchen and bring in goods/fuel
- Unload goods ensuring they are accessible for the person
- Leave the residence and step back 2 metres
- Reassure the person that contact and deliveries will be maintained while they remain at home

What If There Is No Response?

- If no reply, ring contact telephone number
- If no answer, contact the Local Authority for any additional contact numbers
- After numerous attempts to contact the person without success, phone the emergency services for further assistance
- Remain at the residence until the emergency services attend
- Contact the Local Authority with outcome and update on the person

Advice For People Needing Support

Do

- **Do** remember that help and advice is only a phone-call away.
- **Do** make yourself aware of contact numbers for vital services and keep these numbers handy.
- **Do** keep in touch with neighbours.
- **Do** ask to see identification if a stranger calls to the door. If in doubt, call the organisation they claim to represent for verification.
- **Do** remember to practise physical distancing, keeping a space of 2 metres between you and other people.
- **Do** follow guidelines around hand washing, sneezing and coughing into your arm or a tissue.

Don't

- **Don't** answer the door to someone you don't know unless you feel comfortable doing so.
- **Don't** shake hands with anyone that might come to the door.
- **Don't** let someone into your home unless you know them or it is absolutely necessary.
- **Don't** give **ANY** personal details including your bank details or your credit/debit card to anyone you don't trust – whether in person or over the phone.
- **Don't** interact with other vulnerable members of your community if you have any symptoms of illness.
- **Don't** be alarmed by **false information** on social media – stick to HSE advice.
