

Appendix A and B

Appendix A lists all books contained in the Butler collection.

Appendix B lists all pamphlets, periodicals, individual plays and individual poems compiled by Butler into bound volumes.

Both appendices provide the following information on all the texts found in the Butler Collection:

Author

Title

Year of Publication

Place of Publication

Format: ie Folio, Quarto etc.

Subject Matter:

The texts have been divided into the following categories.

Politics, Religion, Trials, History, Grammar, Maths, Law, Art, Prose, Plays, Poetry, Biography, Science, Geography, Political Theory, Philosophy, Anti-Catholic literature, Travel, Education, Health, Genealogy, Antiquaries, the Classics, Dictionaries, Music and Medicine.

Those texts that do not easily fall into any of these categories are labelled Miscellaneous and in some cases particular texts are labelled with a number of different categories.

Butler: This gives an indication of how this text was linked to the Butler family. Lanesborough or Stopford indicates that the book was signed with this name. T.B. Sig. indicates that Theophilus Butler himself signed the book. In other cases the book has been marked with Butler's Bookplate or Bookstamp. Where a name other than these appears this indicates that the book was signed by someone other than the Butlers. These cannot be dismissed from the collection as they may have been sold directly to the Butlers or may have been bought at an auction.

Call Number: Indicates the catalogue number given to the books in Trinity.

In Appendix A the texts are organised alphabetically by author.

Appendix B is a catalogue of compiled pamphlets and cannot be organised alphabetically. It is, therefore, organised by call number.

In examining the books of the Butler Collection some information was missing from the imprints of some texts. All entries have, therefore, been checked against the *Eighteenth Century Short Title Catalogue* and against the *Catalogus librorum Impressorum qui in bibliotheca Collegii Sacrosanctae et individuae Trinitatis, Reginae Elizabethae, juxta Dublin, adservantur, Dublin, 1864 - 1887* in order to provide the most complete entries as possible.
